Hello Daniel,

Thank you for checking with us about this! This is Elena jumping in for Jose here :)

Our physician editors have reviewed your remark and your observation was correct. Our content has been updated and you will be able to see these changes. In case they haven't been reflected on your end, please let me know and I'll look into this.

Thank you once again for helping us improve – our content is continuously reviewed but it seems that this mistake slipped through the cracks. We appreciate your contribution, and if there is anything else we can help with, please don't hesitate to let us know!

All the best,

Elena
